OVERVIEW

Situational Leadership® is a dynamic, engaging workshop that provides the fundamentals of a time-tested, behavioral model of how to best influence the performance of people.

This innovative workshop is pragmatic, flexible and offers the means for learners to begin to impact performance results. It is an extremely flexible facilitated developmental experience.

The use of DVD technology enables the facilitator to easily tailor the material for the specific needs of a group – and the overall organization.

PROGRAM DESCRIPTION

Situational Leadership® is the most prevalent leadership system used in the world – and has been for over 40 years. Constantly updated and refined, based on client feedback and research, it is a powerful and pragmatic workshop based on a simple model of how to adapt one's behavior – and when! Behaviorally based, proven and intuitively simple, this model has more value today than ever before.

The *Situational Leadership®* workshop is the centerpiece of the situational suite of training technology and services. It seamlessly links to other programs and services designed to build and extend participant's skills in influencing, leading, coaching and managing.

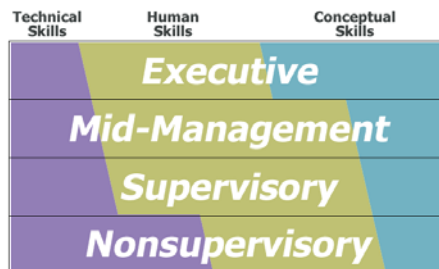

The very nature of leadership is changing quickly. Now, more than ever, the *Situational Leadership® Model* is an essential tool for people wanting to lead in a way that yields top performance and fosters a positive work environment.

LEAD PROFILING AND LEADERSHIP MODEL

During the workshop participants will receive feedback and analysis of their leadership profile

through our LEAD profiling. They will also receive an application model for leadership instead of just learning theories.

**CENTER FOR
LEADERSHIP
STUDIES**

The Center was established in the mid 1960's by Dr Paul Hersey. Dr Hersey's pivotal research around influence and behavior led to the development of the Situational Leadership® Model. Over the last four decades, this model has become the basis of the most prevalent leadership system in the world.

Thousands of top organizations use Situational Leadership® training programs to enhance performance and develop positive work environments. Well over 14 million people around the world have experienced Situational Leadership® training with the Center. The skills they learn help them grow more successful as managers, supervisors, coaches, team leaders and individual contributors.

These same concepts are also effectively applied to selling, customer service, parenting, and wherever influence skills make a difference. The Center offers a variety of products and services that range from self and peer assessments and 360° feedback to training programs.

In Asia, we partner with the TRACOM Group to offer Social StyleSM training. For nearly 50 years they have been helping organizations improve their business performance by providing interpersonal and leadership tools. TRACOM's Social Style ModelTM is recognized as an effective way to build interpersonal skills. It is the most rigorously tested and practical approach for identifying and building interpersonal skills in business settings.
